

Dear Supporter,

You are invited to make a difference in your community and our future by supporting the students at the Montessori School of Beaverton. Our appreciation is sincere, our message is simple and our need is real. Your contribution truly makes a difference in the quality of education available to children, which results in a long-term benefit. As these young minds grow and these children become adults and leaders in our communities and around the world, your contribution, big or small will have played a part.

The Montessori School of Beaverton (MSB) is a private, nonprofit school offering educational excellence in a highly individualized, academically challenging program designed to meet the developmental needs of children from ages three through twelve. MSB welcomes boys and girls without regard to race, color, creed or national origin and has been serving families in our area for more than 30 years.

Our annual fundraising auction ensures this high quality education while keeping tuition affordable. Auction proceeds fund financial aid grants and structural improvements to the classrooms and grounds.

On April 24, 2010 the MSB community will celebrate their 23rd auction at the Multnomah Athletic Club. With an attendance of 250 parents and community supporters, we invite your company to join this effort! Last year, over 200 business donors, like yours, contributed towards the success of the event by donating items, providing underwriting money or purchasing an advertisement.

Since MSB is a 501(c) 3 nonprofit organization, your donations are fully tax deductible.

Information about MSB, as well as donation forms are enclosed and can also be found on our website www.msb.org/. If you are interested in underwriting please contact us by phone or send email to auction@msb.org. We look forward to your participation!

Sincerely,

A handwritten signature in cursive script that reads "Leslie Logan".
