

MONTESSORI SCHOOL OF BEAVERTON

Preschool Application Process for 3-Year-Olds

For the 2013-14 School Year

The Montessori School of Beaverton holds a lottery each September in order to establish a Wait List for children who will begin school at the age of three the following September. If your child will be at least 3 years old by October 31, 2013, and his/her birth date falls between September 1, 2009 and October 31, 2010, you are eligible to enter the lottery held September 2012.

The lottery is a random drawing of names from which two lists, one for girls and one for boys, are created. The number of names drawn is based upon the projected number of openings for three year olds for the following September. Being on the Wait List does not guarantee enrollment.

To enter your name in the lottery, please remove the bottom of this form, complete it and return it to the school. Only forms received **on or before 9/26/12** can be included in the drawing. *Only one form per child will be accepted.*

During the first two weeks of October, a letter with results of the lottery will be sent to *every* family that participated. Families whose name was drawn will be invited to call the school to set up a Parent Observation. If there are families whose name was not drawn during the lottery due to a limited number of openings, they will be informed that the Wait List is full. We hope that this advance notice will give these families the time needed to look for another preschool.

The first step in the application process is the Parent Observation, an opportunity for a prospective parent to actually sit in a class, to see first-hand how the Montessori method is implemented at the Montessori School of Beaverton. These observations are by appointment only and are available to the families on the Wait List created by the results of the lottery drawing. Observations will be scheduled between mid-October and early January.
