Preschool Application Process for 3 Year Olds

The first step in the application process is the Parent Observation, an opportunity for a prospective parent to actually sit in on the classes, to see first hand how the Montessori method is implemented at the Montessori School of Beaverton. These observations are by appointment only and appointments are very limited. In order to establish a priority list for those appointments, we will hold a lottery on October 1, 2010 for the 2011/12 school year waiting lists. If your child will be at least 3 years old by October 31, 2011, and his/her birth date falls between September 1, 2007 and October 31, 2008, you are eligible.

To enter your name in the lottery, please remove the bottom of this form, fill out and return to the school. Only forms received **on or before 9/30/10** can be included in the drawing. *Only one form per child will be accepted.*

A letter with results of the lottery will be sent to *every* family that participated during the first two weeks of October. Families that make it onto the list for observations will also be called during the month of October to schedule an observation. These appointments will occur between mid-October and late January.

MONTESSORI SCHOOL OF BEAVERTON
Lottery for 2011/12 School Year

Please enter my name in the lottery for an opportunity to visit the Montessori School of Beaverton and apply for admission for my child. I understand that the number of appointments is very limited and that those appointments will be given out based on a random drawing of names. By returning this form I am in no way guaranteed admission for my child.

(If you are applying for more than one child, please complete one form per child. This form can be copied or down-loaded from our website www.msb.org . *Only forms received **on or before 9/30/10** can be included in the drawing.)*
